Product Description

Tucai EPSON UV Ink is a high quality UV ink designed specifically for EPSON printers. It is perfect for digital printing and suitable for various applications.

Application Scenarios

Outdoor Advertising: With excellent chemical resistance, Tucai EPSON UV Ink is perfect for outdoor advertising materials such as billboards, banners, and signs.

Indoor Decoration: The ink's hard/soft/neutral property allows it to be used on various materials for indoor decoration, including wallpaper, canvas, and wood.

Art and Photo Printing: With the ability to produce vibrant and long-lasting colors, Tucai EPSON UV Ink is suitable for printing high-quality

art and photos.

Product Features

Fast Drying: Tucai EPSON UV Ink dries quickly under UV light, making it perfect for high-speed printing.

Wide Color Gamut: The ink configuration of BK/CY/MG/YL/WH/LM/LC allows for a wide range of colors to be produced for accurate and vivid printing results.

High Compatibility: Suitable for various EPSON printers including DX5, DX7, TX800, xp600, and 3200, Tucai EPSON UV Ink is highly versatile and can be used in different printing environments.

Excellent Chemical Resistance: The ink has excellent resistance to chemicals, ensuring long-lasting and durable prints.

Product Benefits

Cost-effective: Tucai EPSON UV Ink is priced at only \$10, making it an affordable option for businesses and individuals.

Efficient Delivery: With a delivery time of only 7 days, customers can receive their ink quickly and efficiently.

High Volume: Each bottle contains 500 mL of ink, providing a high volume for continuous printing without frequent replacements.

Made in China: Tucai EPSON UV Ink is proudly made in China with strict quality control measures to ensure the best product for customers.
