Tucaí Dye Sublimation Ink - Perfect for All Your Printing Needs

Are you looking for a high-quality dye sublimation ink for your printing projects? Look no further than Tucaí! As a leading brand in the industry, Tucaí offers a wide range of sublimation inks that are perfect for all your printing needs.

Brand Name: Tucaí

Tucaí is a well-known brand in the printing industry, known for its high-quality and reliable products. With a strong reputation and a loyal customer base, Tucaí is a trusted choice for all your printing needs.

Place of Origin: China

All our dye sublimation inks are proudly made in China, using the latest technology and highest quality materials. This ensures that our customers receive the best products at competitive prices.

Price: \$8 per bottle

At Tucaí, we believe in providing high-quality products at affordable prices. Our dye sublimation ink is priced at just \$8 per bottle, making it a cost-effective option for all your printing needs.

Delivery Time: 15 days

We understand the importance of timely delivery, which is why we guarantee a delivery time of 15 days for all our orders. This ensures that our customers can plan their printing projects without any delays.

Quality: Excellent

At Tucaí, we prioritize quality above everything else. Our dye sublimation ink is made using the best materials and undergoes strict quality control measures to ensure that it meets the highest standards of excellence.

Volume: 1000ML/bottle

Our dye sublimation ink is available in a convenient 1000ML bottle, making it suitable for both small and large-scale printing projects. This ensures that you have enough ink to complete your printing tasks without any interruptions.

Color: BK/CY/MG/YL/LC/LM

Our sublimation ink is available in six vibrant colors - black, cyan, magenta, yellow, light cyan, and light magenta. This allows for a wide range of color options and produces stunning, vivid prints.

Durability: Good

Our dye sublimation ink is designed to be durable and long-lasting, ensuring that your prints remain vibrant and fade-resistant over time. This makes it a reliable choice for all your printing needs.

Suitable Printer: Epson DX5/DX7/XP600/TX800/4720

Our sublimation ink is compatible with a wide range of printers, including popular models like Epson DX5, DX7, XP600, TX800, and 4720. This makes it a versatile option for various printing requirements.

Sublimation Thermal Ink, Thermal Transfer Ink, Heat Transfer Ink, Printing Ink, Dye Ink, Printing Material
